Notices of Annual General Meeting

131
NOTICE OF ANNUAL GENERAL MEETING continued

For this resolution to be approved, the support of a majority of the votes cast by shareholders present or represented by proxy at the annual general meeting is required.

Reason for and effect of ordinary resolution number 9
The reason for and effect of ordinary resolution number 9 is to seek a general authority and approval for the board to allot and issue, or grant options over, the authorised but unissued shares (or securities) in the share capital of the company, up to 5% (five percent) of the number of shares in the issued share capital of the company as at the date of this notice of annual general meeting, to enable the company to take advantage of business opportunities that might arise.

Ordinary resolution number 10
General authority to issue shares for cash
10. “Resolved, as a separate and additional authority from that referred to in ordinary resolution number 9, that the board be and is hereby authorised as a general authority to allot and issue the authorised but unissued shares in the share capital of the company (including the grant or issue of options or convertible securities that are convertible into an existing class of equity securities) for cash on a non-pro rata basis on such terms and conditions as the board may, from time to time in its sole discretion, deem fit subject to the Companies Act and the JSE Listings Requirements, provided that:

(a) the equity securities that are the subject of the issue for cash must be of a class already in issue or, where this is not the case, must be limited to such securities or rights that are convertible into a class already in issue;

(b) the equity securities must be issued to public shareholders, as defined in the JSE Listings Requirements, and not to related parties;

(c) securities that are the subject of general issues for cash in the aggregate may not exceed 5% (five percent) of the company’s shares in issue as at the date of this notice of annual general meeting, excluding treasury shares – the number of shares available for issue for cash will therefore be limited to 10 464 550;

(d) this authority will be valid until the company’s next annual general meeting or for 15 (fifteen) months from the date on which this resolution is passed, whichever period is shorter, subject to the requirements of the JSE and any other restrictions set out in this authority;

(e) the calculation of the company’s listed equity securities must be a factual assessment of such securities as at the date of this notice of annual general meeting, excluding treasury shares;

(f) any equity securities issued under this authority for cash during the period contemplated in (d) will be deducted from the number set out in (c);

(g) in the event of sub-division or consolidation of issued equity securities during the period contemplated in (d), the existing authority will be adjusted accordingly to represent the same allocation ratio; and

(h) the maximum discount at which equity securities may be issued is 10% (ten percent) of the weighted average traded price of such equity securities measured over the 30 (thirty) business days prior to the date that the price of the issue is agreed between the company and the party subscribing for the securities – the JSE will be consulted for a ruling if the company’s securities have not traded in such 30 (thirty) business day period.”

For this resolution to be approved, the support of at least 75% of the votes cast by shareholders present or represented by proxy at the annual general meeting is required.

Reason for and effect of ordinary resolution number 10
The reason for and effect of ordinary resolution number 10 is that the board considers it advantageous to have the authority to issue authorised but unissued shares in the share capital of the company (including the grant or issue of options or convertible securities that are convertible into an existing class of equity securities) for cash on a non-pro rata basis to enable the company to take advantage of any business opportunity that might arise.

At present, the board has no specific intention to use this authority, and it will only be used if circumstances are appropriate.

The board seeks such approval from shareholders in order to provide financial assistance to any person who is a participant in any of the company’s share or employee incentive schemes, and not to any other categories of persons. General authority to repurchase shares

Special resolution number 6 is proposed to authorise the board, if it deems it appropriate in the interests of the company, to instruct that the company or its subsidiaries acquire or repurchase ordinary shares issued by the company.

The board believes that the company should retain flexibility to take action if future acquisitions of its ordinary shares were considered desirable and in the best interests of the company and its shareholders.

Special resolution number 6

– General authority to repurchase shares

16. “Resolved that, subject to compliance with the JSE Listings Requirements, the Companies Act, and the memorandum of incorporation of the company, the company or any subsidiary of the company, be and is hereby authorised, by way of a general approval, to acquire ordinary shares issued by the company, provided that:
» the number of ordinary shares so acquired in any one financial year will not exceed 5% (five percent) of the ordinary shares in issue at the date on which this resolution is passed;
» any such acquisition will be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty (reported trades are prohibited);
» this authority will lapse on the earlier of the date of the next annual general meeting of the company or 15 (fifteen) months after the date on which this resolution is passed;
the company or its subsidiaries will not repurchase ordinary shares during a prohibited period as defined in paragraph 3.67 of the JSE Listings Requirements, unless there is in place a repurchase programme as contemplated in the JSE Listings Requirements where the dates and quantities of securities to be traded during the relevant prohibited period are fixed (not subject to any variation) and which has been submitted to the JSE in writing prior to the start of the prohibited period. The company will instruct an independent third party, which makes its investment decisions on the company’s securities independently of, and uninfluenced by the company, prior to the start of the prohibited period to execute the repurchase programme submitted to the JSE;

the company at any time only appoints one agent to effect any acquisition(s) on its behalf;

an announcement with details of such acquisitions will be published as soon as the company and/or its subsidiaries, collectively, have acquired ordinary shares issued by the company constituting, in aggregate, 3% of the number of ordinary shares in the company in issue as at the date of this approval; and further announcements with details of such acquisitions will be published for each subsequent acquisition by either the company and/or by the subsidiaries, collectively, of ordinary shares issued by the company, constituting, on a cumulative basis, 3% of the number of ordinary shares in the company in issue as at the date of this approval;

no voting rights attached to the shares acquired by the company’s subsidiaries may be exercised while the shares are held by them and they remain subsidiaries of the company.

For this resolution to be approved, the support of at least 75% of the votes cast by shareholders present or represented by proxy at the annual general meeting is required.

After considering the effect of acquisitions, up to the maximum limit, of the company’s issued ordinary shares in terms of special resolution number 6, the board believes that if such acquisitions were implemented:

the consolidated assets of the company and the group, fairly valued in accordance with International Financial Reporting Standards and with accounting policies used in the company and group annual financial statements for the year ended 30 June 2019, will exceed the consolidated liabilities of the company and group for a period of 12 (twelve) months after the date of the notice of annual general meeting;

the company and group will be able to pay their debts as they become due in the ordinary course of business for a period of 12 (twelve) months after the date of the notice of annual general meeting;

the company and group will have adequate working capital for ordinary business purposes for a period of 12 (twelve) months after the date of the notice of annual general meeting.

The following additional information, some of which appears in the shareholder analysis in the annual financial statements is provided in terms of paragraph 11.26 of the JSE Listings Requirements in respect of special resolution number 6:

Major shareholders – page 122 of the annual financial statements

Share capital of the company – page 70 of the annual financial statements.

The directors, whose names appear on pages 94 and 95 of the integrated annual report, collectively and individually accept full responsibility for the accuracy of the information relating to special resolution number 6; and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that this resolution contains all information required by law and the JSE Listings Requirements.

At present, the board has no specific intention to use this authority, and it will thus only be used if circumstances are appropriate.

In terms of section 63(6) of the Companies Act, if voting is by polling, every person who is present at the annual general meeting, whether as a shareholder or as a proxy for a shareholder, shall have one vote for every share held by that shareholder.

The company reserves the right to elect not to provide for electronic participation at the annual general meeting if it determines that it would not be practical. The costs of accessing any means of electronic participation provided will be borne by the company.

Please note that although shareholders are entitled to participate in the annual general meeting electronically, they will not be entitled to exercise their votes at the annual general meeting electronically. Voting at the annual general meeting will only be possible by proxy if a shareholder is unable to attend in person.

Explanatory note for ordinary resolution number 6: Election of audit and risk committee members

Ordinary resolution number 6 provides for the election of audit and risk committee members. Section 94(2) of the Companies Act and principle 8 of King IV require shareholders of a public company to elect the members of an audit committee at each annual general meeting. Accordingly, a nomination committee should present shareholders with suitable candidates for election as audit committee members. The members of the nomination committee satisfied themselves that, inter alia, the independent non-executive directors offering themselves for election as members of the audit and risk committee:

» Have the necessary knowledge and capacity and are independent non-executive directors as contemplated in the Companies Act and the JSE Listings Requirements
» Have the necessary knowledge and capacity and are suitably qualified and experienced for audit and risk committee membership (see résumés on pages 138 to 139 of this notice)
» Have an understanding of integrated annual reporting (including financial reporting), internal financial controls, external and internal audit processes, risk management, sustainability issues and the governance process in the group
» Collectively have skills that are appropriate to the group’s size and circumstance, as well as its industry
» Have an understanding of International Financial Reporting Standards and other financial and sustainability reporting standards, regulations and guidelines applicable to the group
» Adequately keep abreast of key developments affecting their required skills set.

The nomination committee recommended that the board recommend to shareholders the election of those audit and risk committee members who offer themselves for election. For further details on the performance of the audit and risk committee in the review period, please refer to the committee’s report on pages 2 to 4 of the 2019 annual financial statements.

Explanatory note for ordinary resolution numbers 7 and 8: Non-binding advisory votes

Paragraph 3.84(k) of the JSE Listings Requirements and King IV (principle 14: recommended practice 37) provide that the remuneration policy and remuneration implementation report be tabled every year for separate non-binding advisory votes by shareholders at the annual general meeting.

Ordinary resolution number 7 provides for a non-binding advisory vote on the company’s remuneration policy, which appears on page 109.

Ordinary resolution number 8 provides for a non-binding advisory vote on the company’s remuneration implementation report, which appears on page 117.

King IV provides that, in the event that either the remuneration policy or implementation report, or both, were voted against by 25% or more of the voting rights exercised, the following should be disclosed in the background statement of the next remuneration report:

» The shareholders with whom the company engaged, and the manner and form of engagement to ascertain the reasons for dissenting votes
» The nature of steps taken to address legitimate and reasonable objections and concerns.

The board will consider the outcome of the votes when reviewing the company’s remuneration policy and its implementation.
